Students Enrolled

170+
Elective Offerings

64+
DC/AP Courses

50+
Activities, Varsity Sports, Clubs

52%
Staff with advanced degrees

JHS has everything your student needs to prepare for their future within a vibrant and diverse community of learners. Students at JHS are welcomed into a challenging, rigorous, and supportive educational environment with classes and **Career Academies** (beginning Aug. 2025) tailored to their personal growth priorities.

A student's chosen Career Academy will serve as a **smaller academic home** within the walls of greater JHS. Students can get connected with School Counselors, grade-based Principals, Social Workers, a Student Success Coordinator and other support staff to assist in setting and **achieving individual goals**.

JHS students attend 7 daily core and elective courses, but **alternative, hybrid and virtual courses** offer flexibility when needed. No matter your student's interests or priorities, the JHS course catalog presents an engaging array of opportunities, including **MOSO CAPS**, more than **64 Dual Credit, Advanced Placement and Honors courses**, and Southwest Missouri's most robust Career & Technical Education courses through Franklin Technology Center. FTC provides **14 trade and career-prep pathways** offering Industry Recognized Credentials for post-secondary success.
